

A PALE BLUE FLOOR, SOFT AND PLANT-DYED,
IS A PLATFORM TO SPONGE

LIKE THOSE ANCIENT UNDERWATER ANCHORS THAT
FILTER FEED, SUPER STRAIN AND AQUA PUMP
A GRAND EXISTENCE!

SO FIRST, REMOVE YOUR SHOES
BECAUSE ONE MUST ALWAYS BE COMFORTABLE WHEN
DAYDREAMING OF TIDAL RHYTHMS

ESPECIALLY WHEN SURROUNDED BY OVERSIZED CAKES
AND THEIR INTOXICATING INTERIORS, AIRY AND
GREEN-TINTED FROM TROPICAL PLANTS THAT
INFUSE AN AROMATIC LIKE SWEET VANILLA GRASS.

HAVE YOU EATEN TOO MUCH?

TAKE SPACE TO RECLINE LIKE YOUR MULTICELLULAR SIBLINGS
THAT GROUND OCEAN FLOORS AS CHIMNEYS SHAPED OF
BASKETS, BARRELS, VASES, HOSES, CACTI, AND MEADOWS.

AND IF UNCERTAIN OF NEXT STEPS, JUST REMEMBER THE
RETIRED SPONGIOLOGIST'S MANTRA:

"EVERYTHING IS POSSIBLE WITH SPONGES!"
